The Practice Tournament for Experience!!

This Tournament is for White to Orange Belt Children Only to get an experience of performing, in order to be ready for future Bigger Tournaments. It makes big differences when you first get a hang of performing in serious competition atmosphere even at your comfortable dojo, then later in the year, go compete against many other dojo competitors at ever more pressured High School gyms.

All 1st places in each division will receive a new Stripe.

[Here](#) will be a link to the Tournament Program, with all information including it's application form.
